SWEAT EQUITY FORM

REQUIRED ATTACHMENT TO YOUR APPLICATION

Sweat Equity/ Partnership Question: *Our sweat equity requirement is rigorous!* Habitat Family Partners as well as each adult that will live in the home are required to work 250 hours each on building the home (except for full-time college students). You will not be allowed to move into the home until the hours have been completed. This requires approximately eight hours a week on a Habitat construction site (8 a.m. - 4 p.m. on a Saturday or another day during the week to be determined) during the months that the home is being built. Some weeks there will also be a required meeting or home ownership preparation workshop to attend. You may need to devote even more time in some weeks so that all hours are complete prior to closing. You do not need to be experienced in construction. We train and guide you in your sweat equity as you work side-by-side with other volunteers.

How will you arrange to have the time available?

How will you manage transportation to the site?

What child care arrangements will be available for you (children 14 and under are not allowed on the build site but up to 50 hours of baby-sitting time by family/friends can count toward your sweat equity hours)?

If any condition (disability) will restrict some aspect of your participation on the construction site, list the specific medical restrictions your doctor has given you that will limit which tasks you are assigned. How will you be able to participate?

Or circle: Not Applicable – if you have no medical restrictions to your participation.
