

CORPORATE/GROUP TEAM BUILDING OPPORTUNITIES

Bringing people together to build homes, community and hope

Building Teamwork!

Habitat for Humanity provides a unique opportunity for people to pool their time and energy to make an invaluable contribution to our mission and the families we serve.

An Unforgettable Experience!

Your team can reserve an exclusive construction weekday to work together toward a common and immediate goal, gaining great personal and collective satisfaction. In the process, they will become directly involved in the fight against a major cause of poverty – the lack of affordable houses for hard-working, low-income families.

Building community is what Habitat for Humanity of Greater Plymouth is all about. Your colleagues will build team spirit and reap the personal reward of giving of themselves as a direct result of their efforts on this project. The bonds that form between volunteers on a project like this are remarkable. Participants will come away from this experience knowing they have truly made a transformative difference in the lives of our special selected families.

Benefits & Takeaways: Team Building with a Purpose!

- Learn about fellow employees/members on a more personal level
- Interact with coworkers from all levels of your corporate or organizational structure
- Experience the satisfaction of seeing immediate results of your labor
- Strengthen team spirit & morale to bring back to the office
- Give back to the community that supports your business
- Align your business with Habitat's well-recognized mission
- Help fund the building of much-needed affordable homes in the Greater Plymouth area
- Gain new skills & have fun!

Details

- No construction skills needed; qualified supervision is provided.
- Current build sites are at Brentwood Rd, Kingston & Long Pond Rd, Plymouth

Build Days are an integral component of the Habitat for Humanity experience. Volunteer labor offers tremendous construction savings, making our homes more affordable to families in our Greater Plymouth service area. Financial donations provided by your group help to buy the lumber, nails, utilities and other materials needed to complete these houses. All donations are tax-deductible and are greatly appreciated. Thank you for taking part in this meaningful work with us!
